Dear Arlene,
Weve had a lot of fun in
study hall and I hope we will
be in the same class again
next year. Always stay as sweet
and cute as you are now and
you will go places in life.
Good luck in the rest of the
school years to follow.
With Love,

Dear Arlene,
It has been loads of fun having you in Latin with me. I hope I have you in my other classes next year. See you skating next year.
Darlene Reist

Dear Arlene,

I have enjoyed being with you in Study Hall. But I enjoyed being in Latin with you even more. I haven't studied for the Latin exam either. Just think we will have to put up with good old "Bridgy" next year. I hope he doesn't hold grudges. Stay as sweet as you are "allways".

Loads of Love Darlene

Dear Arlene,
It sure has been sweet knowing you. Those post summer days were fun. But you're going to see! Be good!
Love Rhonda

Dear Arlene,
Well, we made it, through the 9th grade anyway. I had as much fun this year as I have, and I hope we're in some of each others classes again next year. Good luck always to a sweet kid.

Dear Arlene,

I have loved being in Latin and Study Hall with you. You're a real nice understanding kid. Especially when we talk about our dates and hates. Studying Latin together helped me a lot. But we usually goofed on something anyway. Don't forget all the times we looked out the Hall window and saw the flag. We always wanted to skip school before we would go into "Mean's" class. "Best o Luck Always"

Dear Arlene -

To the girl who sat in front of me all second semester in 311 Study Hall. Ms. Atwood seemed to let us do whatever we pleased. It has been fun this past semester having you to gab to, help me write American History outlines for voluntarily talking out loud in class when we were supposed to be studying. Hope to have you in one of my study halls next year. To a sweet little Freshman whose always a big help. Thanks a million,

Carol Kiritsis

MR. J. RANDALL PERRY, to whom this book is dedicated, is, in the eyes of this year's seniors, a second father. He has guided us throughout our high school years, so that we will be able to plan our future to better advantage.

His contribution to our school in time, thought, effort, and moral support is measureless. He has spent long hours, after and during school, locating the correct colleges for us and helping us apply for scholarships.

We like his volubility; we appreciate his guidance; and we will always remember his kindness and consideration in listening to our problems.

Dear Arlene,
Next year "big Sopf."
Won't that be fun. I
hope you have as much
fun as I have had. Lot
of Luck to a real cute girl.
Don't work to hard this
summer and take it easy
on all the boys. See you
next year. Be Good

Lots of Luck

The final plans necessary to run our school smoothly are laid out by the "engineers". Our faculty serving as engineers has a tremendous job of planning and carrying out a suitable curriculum for the students. They must plan and fit into place every operation and strategic move. We certainly appreciate all the effort and extra hours and worry that our faculty puts forth.

WHAT'S THE MATTER WITH T-V ?

Those who act as foremen in directing most activities in the building are the Seniors. They have obtained their position because they have already experienced the "growing pain" (or trials and tribulations) of the underclassmen and are now qualified to aid and set the example for those still laying the groundwork of their education.

When this building is finished, this is by no means the end. Commencement is just the beginning. For in truth, this was just a practice building. Now these carefree foremen must relinquish their position to those who are following in their footsteps, as they join the responsible and independent men and women of the world.

As graduating Seniors they will look back on their high school days as the best years of their lives. With the strong, steady foundation they have built for themselves, they are ready and anxious to step into the next phase of life.

1956 Class Will

We, the Class of 1956 of Benton Harbor High School in the city of Benton Harbor, County of Berrien, State of Michigan, United States of America, Western Hemisphere, being of sound mind and body at this writing, and realizing that our days at Benton Harbor High are rapidly coming to an end, do hereby make, publish, and declare this last will and testament, hereby revoking all former wills and testaments made by us in the past:

To Benton Harbor High School, we leave and bequeath our greatest gratitude, with best wishes that this great institution of learning continue its glorious work.

To our principal, Mr. Semler, and the learned faculty, we leave our most sincere appreciation and thanks for their efforts, and wish to assure them that these efforts were not in vain.

To the student body, as a whole, we leave our many athletic accomplishments, our beautiful singing voices, and our incomparable academic record.

Being a perfect class in all respects, we wish to remind the Juniors that it will be impossible to duplicate our feats, but we hope that when they become seniors they will not be discouraged. We advise them to always strive for perfection, a goal which we proved can be reached.

For Mr. Hynd, our worthy class advisor, we could not find anything valuable enough to repay his patience and kindness, so we leave him a hearty "Thank you."

To the underclassmen is left the new addition in which they may pursue higher grades and more basketball records. They are also left the unenviable task of converting the aroma of the old gym into an atmosphere more suitable for a cafeteria.

Unto our heirs, the mighty seniors, we relinquish the numerous positions of authority held by our successful class and it is our wish that they may work, prosper, and perspire as we did.

The senior members of the football team leave their ability to run, pass, kick, and block to next year's players and wish them and their new coach the best of luck.

To the class of 1957, the senior boys leave their pegged pants, pink shirts, and "Mr. B" collars, as they are all going "Ivy League."

The senior girls reluctantly leave Mr. Rock to the Juniors with a plea to "take good care of him."

To Miss Meyn and the dramatic talent of 1957 we will the school auditorium which has earned its niche in the theater world as the site of the hilarious "Time Out for Ginger," our famous senior play.

Our sense of humor and priceless collection of jokes, we will to Benton Harbor High School's number one comedian and guidance director, J. Randall Perry.

The senior band members leave Mr. Kuschel with fond memories of their musical ability, flawless marching, and neat appearance in their new uniforms.

The following personal wills are also to be made at this time:

Sandra Cayo wills her talent on the football field to Don Marler.

Pat Petruschke leaves her ability to play the flute to Jim Hawkins.

To the new cafeteria, Jim Reynolds wills a one-year supply of toothpicks.

Ron Treichel leaves his knack for accumulating traffic tickets to Tom Garland.

His cheerleading ability, John Null wills to Barbara Ginter, Karen Gobiel, and Virginia Froehlich.

Ruth Ann Chambers forces her quiet, shy ways on Mary Morgan.

To Chester Walker goes Jerry Bellenger's book on "How to Grow Tall."

Jerry Kirshenbaum and Elden Butzbaugh donate their noses to the drama department which is sorely in need of new curtains for the stage.

Bob Finch leaves a pair of bright red suspenders to Jim Culverhouse in the hope that Jim will be saved from any more embarrassing moments on the basketball court.

Sue and Jerry Light leave their knack for getting along to Margaret and Gwen Rahn.

Leroy Goff leaves his unquenchable thirst for knowledge to Jerry Barchett.

John Bridgham leaves to save his father's face.

We, the Class of 1956, do hereby set our seal on this, the sixth day of June in the year of nineteen hundred and fifty-six.

SEEK TWO MEN IN CONNECTION WITH PRETZEL EXPLOSION

Sax Announces Desire for Presidential Nomination

WASHINGTON, June 7 — (AP) — Michigan's senior senator, Larry Sax, informed reporters today that he will definitely be a candidate for the Prohibitionist presidential nomination when that party holds its convention later this month in Willow Creek, Arkansas.

Sax has outlined a four-point platform which he plans to use as campaign ammunition: (1) To eliminate all taxes; (2) To build a linking bridge from Hawaii to the United States; (3) To ban all text books in the nation's high schools; and (4) To relieve traffic congestion by removing all police cars from public highways.

Sax's campaign manager, Miss Sandra King, claims that "Larry will win the November election easily, and will bring a glorious end to the corrupt administration of President Bob Blackburn."

Sax, whose vice-presidential running mate will probably by Arthur (Buddy) Alberts, also stated that his campaign slogan will be "Make Merry with Larry."

Mayor Delivers a "Knock-Out" Address

A distressing incident occurred at the Chamber of Commerce banquet last night.

The toastmaster called upon Robert Westin, the mayor of St. Joseph, to deliver an impromptu speech. Westin responded, but after four hours, Bill Dalziel, prominent Benton Harbor industrialist, suddenly arose and began beating Westin on the head with a ping-pong paddle. This assault inflicted many bruises on Westin's bald head, and Dr. Bruce Conybeare pronounced Westin's condition this morning as "fair."

"I couldn't stand it any longer," was the only explanation Dalziel would make from jail today.

PROMINENT BUSINESSMEN PERISH IN DESERT

CAIRO EGYPT, June 7—(AP)—America's foremost correspondent to the Sahara Desert, Beverly Pape, reported today that two prominent businessmen have perished while on an excursion in this desolate land.

The two, Jerry Ragen and Jim Hammond, are reported to have drowned in a mirage while on the last leg of their ambitious journey to install a coca-cola machine in the middle of the Sahara Desert.

LOCAL MAN SEEKS EMPLOYMENT

Doyle Lancaster, who until recently was employed to bathe the gold fish at the new Benton Harbor Civic Aquarium, has resigned his position as it was too strenuous.

He is now looking for a job which is pleasant, congenial, and not so hard.

Two Local Men Make Hot News in Alaska

A telegram was received yesterday by Bill Molter, stating that two former Benton Harborites, Gary Lewis and Leroy Hickmott have successfully struck coal in the Klondike region of Alaska. Originally planning to prospect for gold, Lewis and Hickmott stated in the telegram, "We are a bit cool, but the coal will keep us warm!"

John King and Kermit Sliter Sought

John King and Kermit Sliter are being sought by local and state authorities in connection with last week's explosion at the Twin City Pretzel Company. Damages to the company's main building were estimated at $300,000 by Fire Marshal Carl Brown.

King and Sliter were first suspected of having a hand in the explosion when the two fled when Benton Harbor Police Chief Ron Schroeder began a routine questioning of all employees of the company. The two men had been employed for four years as apprentice pretzel-benders, and in two years they would have become eligible for advancement to the coveted position of chief-pretzel-benders.

The firm's president, Terry Weiss, told reporters yesterday, "King and Sliter have been dissatisfied with their jobs for sometime. They have constantly complained that our pretzels are too salty, and have rebelled by bending them square instead of round."

Police strongly suspect sabotage as a copy of Dr. Frank Zindler's book, *How to Construct a Hydrogen Bomb,* was found in King's workbench.

Woman Cited for Work with Blind

LOS ANGELES, June 7—(AP)—Carol Faber has been cited by several California newspapers for meritorious service in aiding the blind. Carol has served for seven years as America's leading trainer of seeing-eye dogs.

About her occupation, Carol commented, "I have always felt sorry for people who can't see too well, and I really enjoy helping them."

Fashion Club to Present 'Summer Rendezvous'

The Twin City Fashion Club will present its annual style show June 20, the club's president, Elaine Heckert, announced yesterday.

Miss Heckert added that models for this affair will be provided by the world famous McDowell Modeling Agency. The agency, headed by Ross McDowell, claims to employ the "world's loveliest models." Several former Benton Harbor lovelies will model for this show, including Joan Postello, Marilyn Rizzo, Marybeth Warskow, Shelby Baushke, Willie Mae Hawkins, Gail Mann, Pat Karsen, and Nancy Sickels.

The show, using "Summer Rendezvous" as its theme, will feature the latest originals of the famous French designer, Monsieur Tom Edwards.

HOME EXTENSION AGENT NAMED

It was announced today by Clyde Kraklau, president of the Berrien County Farm Association, that Joanne Reinhardt has been appointed Berrien County Home Extension Agent.

Miss Reinhardt, a graduate of Benton Harbor High School, is widely known for her work in 4-H leadership throughout the county.

PAIR TO OPEN MARRIAGE-COUNSELING SERVICE IN TWIN CITIES

A well-known local couple announced today that they will open a marriage-counseling service next month in Benton Harbor. The pair, Mr. and Mrs. Gary Musser have resided in this city for over 30 years.

The Mussers, who have five children, have been "happily married" for nineteen years. Mrs. Musser is the former Sandra McFarland of Benton Harbor.

Hold Farewell Party for Roger Parrish

Prominent local people were in abundance at a going-away party for Roger Parrish, last night at the Hotel Poziwilko.

Parrish, who last month resigned from his position at Richard Petruschke and Sons Chemical Company, was swarmed by an estimated 300 well-wishers. Parrish will leave next week to assume his new post on the California State Research Committee, where his duties will be to work on methods of combating the smog in the Los Angeles area.

Among the many guests were several area officials: Sheriff Tom Tonnilier, County Clerk Margaret Ogata, Benton Harbor Commissioner-at-Large Bob Culver, and Benton Harbor Post-Mistress, Phyllis Forestieri.

Benton Harbor's Mayor Calvin Mayer delivered a short speech honoring Parrish. Mayor Mayer addressed Parrish and said, "Roger, you certainly have been an asset to the community, and on behalf of the entire city, I want to assure you that we will all miss you and that we wish you the best of luck in your new job."

The farewell party preparations were made by Ray Marks, Betty Munson, and Betty Kesterke.

OPERA STARS PREMIER PRODUCTION

Metropolitan Opera Stars, Joanne Miller and Dan Young will open at the Milburg Civic Opera House Tuesday evening to premiere "The Marriage of the Herring," a tragedy in three acts written by Dan Blythe and Shirley Tapp. The Twin City Symphony, conducted by Claude Williams, will perform during the intermission.

CUBAN DIPLOMAT TO TALK AT HIGH SCHOOL

Miss Gladys Velez-Sanchez, the Cuban ambassador to the United States, will address the Benton Harbor High School student body next Wednesday, it was announced today by Principal Rodney Boyette.

Miss Velez-Sanchez, internationally famous champion of world peace, will speak on "The Importance of the Cha-Cha in International Relations."

VIRKUS SET TO DEFEND OPEN TITLE

A former Benton Harbor man, Don Virkus, is confident that he will successfully defend his National Open Golf title when the Open is held next month in Akron, Ohio.

Virkus, speaking from his Juneau, Alaska, home, told reporters yesterday that "I don't have a thing to worry about. I'm so confident that I will win the Open without a struggle that I'm not even bothering to practice."

Last year, Virkus won the Open, golfdom's most coveted prize, with a record-shattering 249 total for 72 holes.

Pete Rhodes to Water-ski Over Falls

NIAGARA FALLS, NEW YORK, June 7—(AP)—This world-famous resort town was jammed this morning with eager spectators waiting to view one of the most spectacular and dangerous stunts ever attempted.

Pete Rhodes will attempt the daredevil stunt tomorrow, when he tries to become the first person to ever water-ski over the Niagara Falls. When asked about the risk involved, Rhodes replied, "Don't worry about me. Just think of poor Frank King who will drive the motorboat!"

MEMORIAL SPEEDWAY WINNER RETURNS TO BENTON HARBOR

Benton Harbor's Jim Chartrand, who last week won the 500 Mile Memorial Day Speedway race at Indianapolis, yesterday received a hero's welcome when he returned to the Twin Cities.

Chartrand, whose record-shattering speed of 193.874593 miles per hour astounded the racing world, remarked that he first practiced driving "back at the good ol' Benton Harbor High School parking lot."

REPORT LINKS PHIL McCOY AND WEALTHY INDIAN PRINCESS

NEW DELHI, INDIA, June 7—(AP)—The entire continent of Asia was buzzing today about the reported romance of Battling Phil McCoy and Princess Ibaya Faziwaii, the beautiful daughter of India's richest maharajah.

McCoy, former light-heavyweight champion of the world, was introduced to Miss Faziwaii while on a boxing tour of this country. The wealthy Indian beauty was apparently impressed with McCoy's massive appearance.

Lanky Soph Excites BHHS Coach

Benton Harbor High School's head basketball coach, Lee Warnock, predicted today that next years' cage team will be the best one at the local school since 1956—the year that Leroy Goff, Jim Reynolds, and Melrose Hensley led the Tigers to a glorious season.

"Of course, we can't expect to compare with the brilliant 1956 team," commented Warnock, "but we certainly should be vastly improved over last year."

Warnock is especially excited about 7′ 4″ Steve Findley, Jr., the sophomore center who is regarded as an outstanding varsity prospect. The elder Findley is atheltic director at the local high school.

The foundation has been dug, and now the Sophomores enter to fit the pipes through which knowledge may flow. During their first year they stayed underground, but now they begin to emerge with new ideas and interests. Slowly, but surely, the building process proceeds as they select from the wide variety of materials — teachers, fellow students, subject matter, activities — the ones which will guide their learning through well-chosen channels.

The task of digging a ditch for building a strong foundation is delegated to the members of the Freshman class. This foundation serves as a bases for their future years at B.H.H.S. —their scholastic knowledge and social relationships.

The uncertainty of their first days in high school soon vanishes as they find their niche in these halls of learning. Now as they finish their first year, their faltering footsteps are replaced by a firm stride.

The clubs supply the color for us. They paint many interesting and exciting pictures around school with their social activities and work. They act like the draperies on the wall or the rugs on the floor by supplying us with all the extra things that give pleasure, beauty, and added usefulness. Without these clubs doing their job of decorating, school would be a pretty dull place.

NATIONAL HONOR SOCIETY

Four building blocks of success are the requirements for membership in National Honor Society. Scholarship, character, leadership, and service are the virtues possessed by the 15 percent of the senior class that are selected for membership by a faculty committee. To help build these qualities in the students of our high school is the purpose of the organization.

SERVICE CLUB

The members of the Service Club supply the "missing parts" which are necessary to finish the building. They remind us how fortunate we are and urge us to help others who are not as fortunate as we. This aid takes the form of contributions to CARE and the March of Dimes. At Christmas time they put up the Christmas tree in the hall outside the auditorium.

TIGER

The "Tiger", puts the "finishing touches" on our school. For the first time in many a year, the staff presented us with a printed paper. Congratulations to a hardworking staff for a difficult task well done!

BIG SISTERS

Because the Big Sisters have smoothed down the rough edges, the Little Sisters will fit into the world as fine bricks fit into a new building. This is accomplished by a get-acquainted tea in the fall and kind helpfulness throughout the year.

LIBRARY CLUB

The students in the Library Club, through their earnest efforts to help, are adding to the literary edification of all. The high point of each year is the trip to a college campus for a convention of all club members.

USHER CLUB

Willingness to work is the only qualification to become a member of this organization. They are present at every school function, helping everyone with a friendly spirit. These students form the "framework" of all school activities.

SIGMA LAMBDA SIGMA

To help build up a fine library for our school is one of the goals of this organization. The fifteen girls who are chosen for this club have a lot of fun giving an annual dance, selling tiger mops, and running checkstands to earn money for new library books. The book reports given at their meeting help to build literary appreciation.

BENTON HARBOR GIRLS' JUNIOR RIFLE CLUB

The Girls' Rifle Club began this year by taking in 7 new members, as a result 9 of the 12 members are sophomores.

In the monthly N.R.A. postal match the team shot 438, 440, 431, and 456 for a total of 1765. In these matches Laurie Scowcroft shot scores of 100, 100, 97, and 97. While Suzanne Byers scored 90, 94, 95, and 98.

On April 21, 1956 a team of five will shoot in the National N.R.A. match at Fort Wayne, Ind.

Prone: M. Forestieri, C. Pape, P. Crowley, J. Campbell, B. Smith, L. Berley.

F. F. A.

These boys, through supervised farm projects at home and field trips to various places of agricultural interest, are creating a firm groundwork for careers in farming. Some of the high points of the year for these seniors and junior boys are their trips to soil judging shows, to Chicago to see better livestock, and the annual six-day trip. They're always "digging" more knowledge about better methods in agriculture.

PROMETHEAN

Promethean, the Greek god, was the wise helper in necessity and the friend of mankind. He was original and creative.

A Promethean is one who is a Promethean in spirit and achievement, scholarship, leadership, and personality. These are the basis for selection. Membership is composed of three sophomores, four juniors, and five seniors.

BENTON HARBOR BOYS' JUNIOR RIFLE CLUB

Every week these boys meet to learn good marksmanship and firearm safety. Each year a group of them attend a National Rifle meet which, this year, was held April 21 in Fort Wayne, Indiana.

In the school's own contest, the champions were: Bob Blackburn 92, Jim Hammond 80, George Peapples 73, and Allen Curneal 58.

The scoreboard for the whole club is as follows: November 479, December 482, January 478, February 479.

The individual high scores for this period were: Tom Garland 100, 98, 97, 93; Bob Blackburn 97, 99, 95, 95.

FUTURE NURSES

The nurses-to-be of the junior and senior classes are building up a fine medical background with the help of this organization. Visits to the hospital where they can observe the nurses' duties help them see all sides of the profession. At their regular meetings, they hear lectures and see demonstrations by registered nurses.

LA SOCIEDAD PANAMERICANA

"!Hola! ?Como esta Vd.?"– this is the traditional greeting of all Spanish-speaking people, including the members of the Spanish Club. Any Spanish student, or former Spanish student, may belong to this organization. The "Norteamericanos" learn about the Spanish speaking countries by studying their customs and culture, and thus "building" friendships with these people.

FUTURE TEACHERS OF AMERICA

This organization consists of girls whose common goal is to become a teacher – they are the "foundation" of the future. The purpose of this club is to let the members discover for themselves if they are suited for the teaching profession. This is done through visits to the various teachers' colleges and having teachers as speakers at their meetings.

LE TRICOLORE

This is a group of students who either take French now or at one time studied it. Each year they have a dinner which consists entirely of French foods. Through their meetings, the members learn more about the French people and customs. They have sponsored noon hour shows, as well as interesting speakers for their meetings.

THESPIANS

"Act well your part; therein all honor lies." This motto indicates the goal of Thespians, to do the best job possible, no matter how small it may be. The club is made up of students of dramatics. They meet monthly to help make decisions concerning the all-school play and the senior class play. Not only do they sponsor a noon hour show and a sock hop, they put on plays for their own pleasure. Along with the Footlighters, they attend a Dramatics Workshop at Western Michigan College.

FOOTLIGHTERS

The club that will capture the stage of our new building is the Footlighters Drama Club. They present many fine noon hour shows, help in applying make-up for many performances, and most of all, give a general idea of the theater to their members.

The requirement for membership in this club, advised by Miss Margaret L. Meyn, is a sincere, genuine interest in drama.

SOPHOMORE Y-TEENS

the year these girls have hay rides, sleigh rides, and other activities which are planned by the members. At Christmas time they fill baskets to help needy families. The high points of the year are the "Hanging of the Greens" during the holiday season, and the "Heartbeat Dance" in the spring. The only requirement for membership is a willingness to cooperate.

BIOLOGY CLUB

Exploring the secrets of life is one of the main interests of biology club members. They go on field trips, observing the phenomenon of nature. To earn money for their annual camping trip, they sell holly at Christmas and have a noon hour show.

ART CLUB

The Art Club is made up of students who want to further their interest and knowledge of art and have fun while doing so.

Row One: M. Wagner, M. Mammina, S. Sweeney, M. Brecht, A. Webb, C. Ekstrom, M. Orlaske, R. Hauch.
Row Two: D. Schwarz, M. Liebe, C. Flory, J. Glass, D. Hall, N. Riedner, J. Greenman, P. Crowley, I. Worley, J. Hartlerode, Miss Dickinson, B. Wagner (Sec.), B. Bohn (Treas.).

Row Three: J. Campbell, H. Gillespie, M. Taylor, D. Wells, C. Wilbur, D. Mastbaum, M. Treger, Q. Martin.

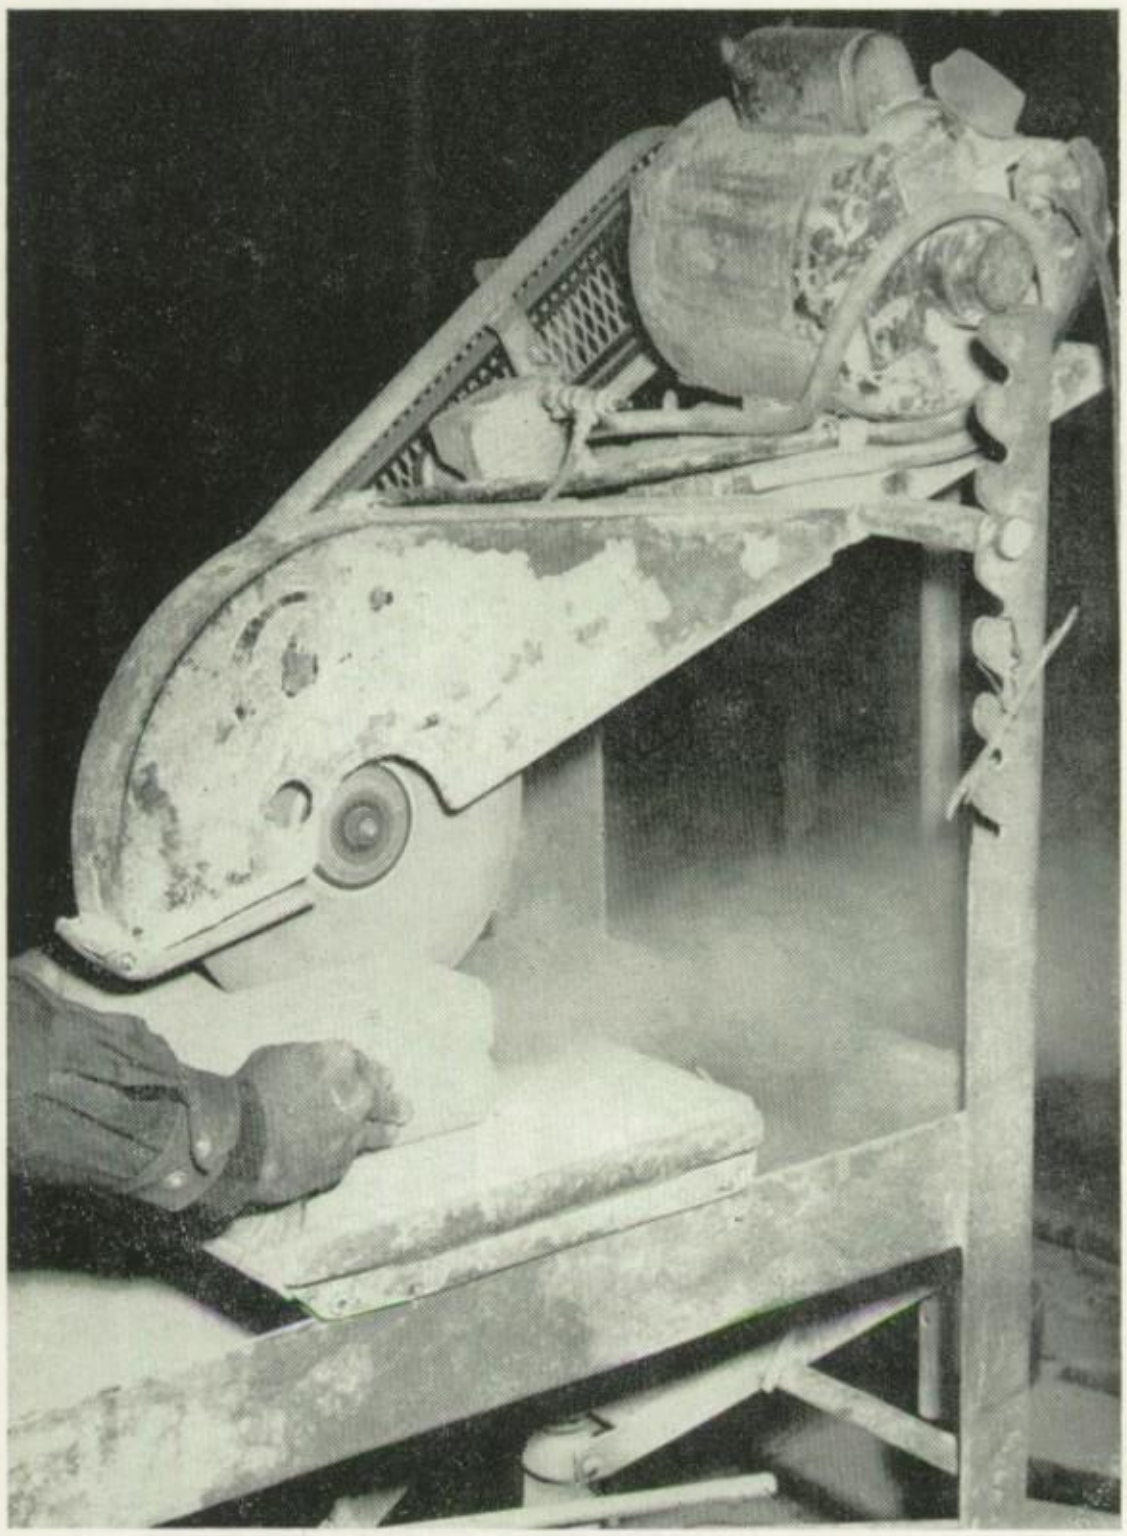
FOOTBALL BOOSTERS

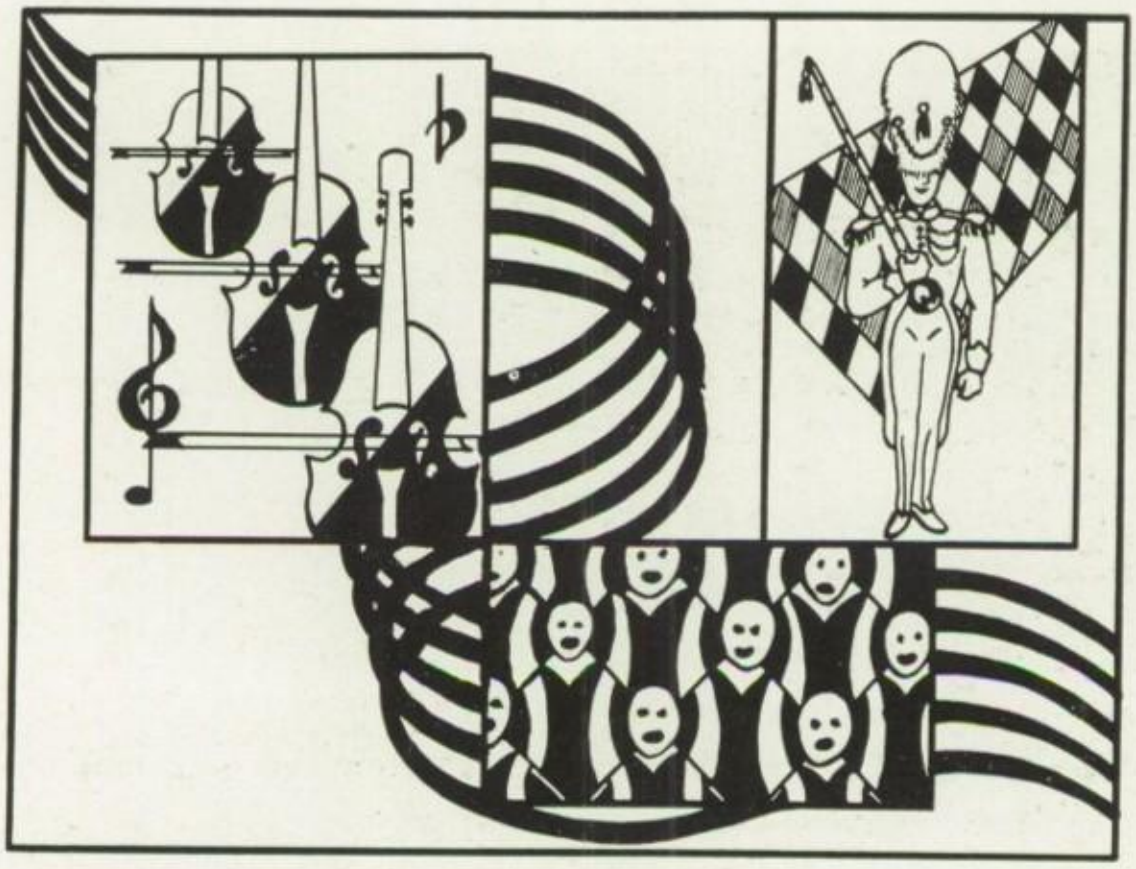
The job of these ambitious girls is to satisfy the huge appetites of the crowds at football games. They help "build up" the spirits of the spectators, by selling delicious refreshments. At the end of the year, they sponsor our All Sports Banquet.

BASKETBALL BOOSTERS

These people concentrate on "building up" morale and waistlines at the basketball games by selling all sorts of tasty goodies. Their main purpose is to keep us fat and happy through our eating their wares.

Row One: R. Marshburn, C. Faber, J. Hart, E. Hemingway, G. Stone, P. Buck.
Row Two: C. Forsey, C. Akright, B. Williams, Mr. Kahler, B. Griffin, E. Fitz, M. Haynes.





A fine school cannot be built without a buzz saw, so to insure the success of our new school, we use as our buzz saw, the music department. With every vibration emitted by the members of band, orchestra, and choir, the walks of our school are strengthened. The assembly programs and productions put on by this department contribute a great deal to the pleasure of our student body, as well as our community.

Row Four: J. Lockman, D. Lewis, L. Moulds.

ORCHESTRA

This organization could be called the "painters" because their descriptive music paints an impressive picture in the minds of everyone.

Their notable events this year have been the Christmas Assembly, their Annual Concert, the District Contest at Sturgis, the senior play music, the operetta, solo and ensemble contest at Kalamazoo, music for class night and Baccalaureate.

Row One: P. Petruschke, J. Payne, J. Bridgham, R. Small, C. Schuster, B. Bierman, L. Godin, J. Westin.

BAND

Here is the group that has made "Halftime" very important to the spectators of our football games. Their new uniforms add a snap to their spectacular performances.

The concert band also provides us with much enjoyment. Their annual concert and assembly program help boost the quality of music in our school. Providing musical enjoyment and striving for perfection are the two main aims of our band.

ADVANCED CHOIR

"Building voices for the future" is the theme of the Advanced Choir. With productions like "The Bells of Christmas Valley" and the musical comedy of the year, "The Red Mill," their prospects look bright.

BEGINNING CHOIR

The Beginning Choir is a group of strong supporters. Their help and cooperation on crews determine the success of the annual production.

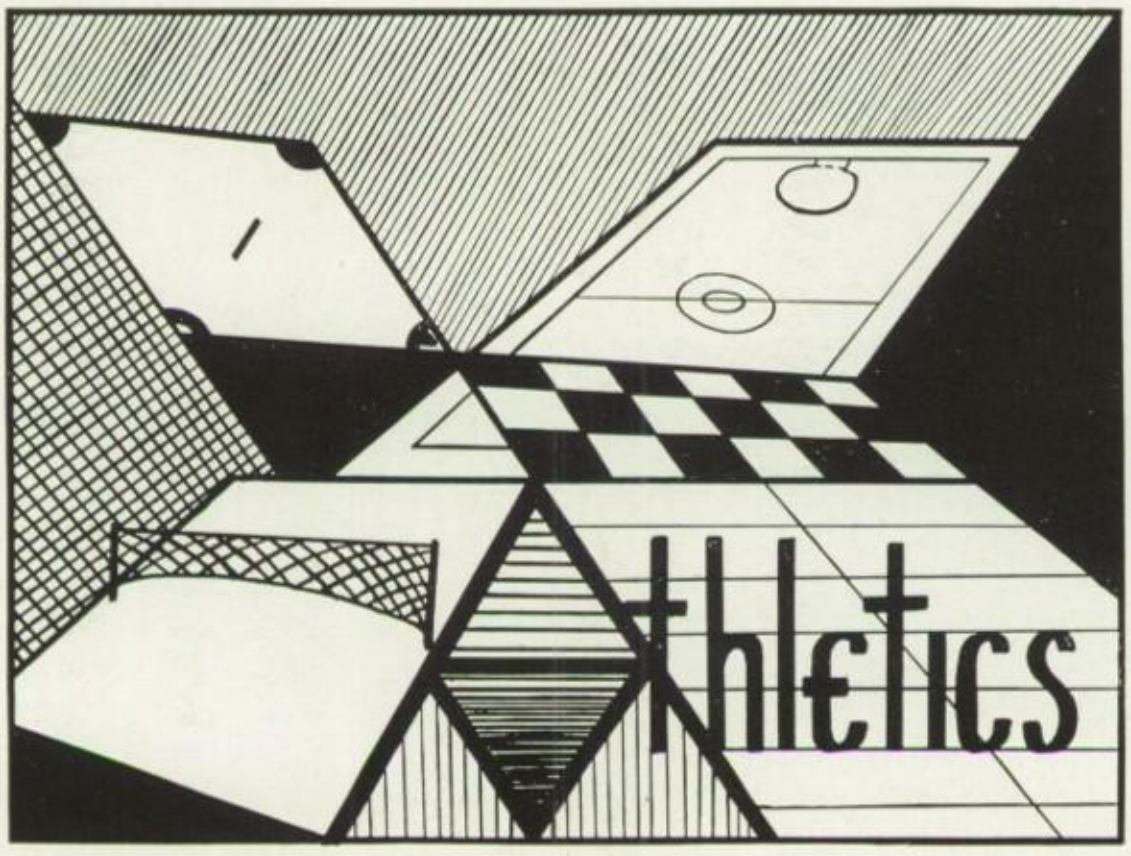
LAYMAN & SEELS
CONTRACTOR



No building could be erected without the help of power, or a bull-dozer. The power of our school is supplied by our many athletic organizations. Our football and basketball teams have brought us much glory by their many victories. Many other less well-known sports, such as the baseball, tennis, and track teams, represent our school very well, and we are proud of their accomplishments. The members of these sports organizations are the power which erects our building of victory!

VARSITY FOOTBALL

Our Tigers opened the 1955 gridiron season with impressive wins over Chicago Lakeview, Grand Haven, Hammond Morton, and Muskegon. The Tigers slipped by the Big Reds on a muddy, rain-swept field as Tiger fans huddled under any and all available shelter to cheer them on.

Kalamazoo Central became the first club to tame the Tigers, and they did it in a 14-7 thriller. Then the roof caved in! In one of the most humiliating games in Benton Harbor history, a fired-up Niles eleven ran our Tigers all over Filstrup Field to emerge 34-0 victors. After that, the varsity could not fully recover, and they dropped games to Muskegon Heights and Holland. Benton Harbor managed to salvage some prestige and a winning record with a season-ending conquest at South Bend Riley.

Benton Harbor is graduating 14 lettermen from the 1955 squad: Bob Finch, Bruce Conybeare, Pete Rhodes, Dick Petruschke, Bill Dalziel, Jim Weatherly, Claude Williams, Rodney Boyette, Steve Findley, John Null, Jim Reynolds, Jim Chartrand, Calvin Mayer, and Melrose Hensley. These boys will be hard to replace, but probably the biggest loss of all is Coach Joe Rogers who resigned to become athletic director.

FRESHMAN FOOTBALL

Mr. Johnson's freshman football team, made up of boys who had never before played organized football, managed to earn two important victories against Buchanan and St. Joe, and a tie with Dowagiac during the 1955 season.

By learning the fundamentals of sound football, these boys are on their way towards becoming the stars of tomorrow.

JUNIOR VARSITY FOOTBALL

Our junior varsity football team has in past years prepared many outstanding players for the varsity, and this year appears to be no exception. Displaying a great number of varsity prospects, the 1955 junior varsity finished with four wins and three losses.

Row One: J. Turner, T. Belski, F. Culby, R. Rutz, T. Lausman, N. Robinson, L. Harvey, C. Walker.

Managers — J. Baushke, G. Musser, L. Warnock, D. Podjan, J. Stohrer, R. Cayo, S. Hamilton.

MANAGERS

Wouldn't it be funny if a huge crowd gathered for a football or basketball game, only to discover that someone forgot the ball? Don't worry! This will never happen to the teams of B.H.H.S. thanks to the competent service of our squad managers. They can be relied upon always to be on hand with the sports equipment. Under the capable direction of Mr. Swanson, these boys perform many duties, such as: collecting and distributing equipment, bringing the first-aid kit, and keeping the water spray ready for use.

CHEERLEADERS

No basketball or football game would be complete without the presence of our lively cheerleaders. They are a symbol of the school spirit which we like to express. They can help to raise our morale when the chips are down, and they help keep our hopes high for a victory. Through them we express the exhilaration we feel during the contest.

Cheerleaders — L. Stewart, B. Ginter, B. Ogden, K. Gobiel, V. Froehlich.

Standing: D. Marler, J. Barchett, S. Watson, L. Goff, B. Marosites, Mr. Farnum, C. Walker, J. Reynolds, J. Culverhouse, M. Hensley, G. Peapples.

VARSITY BASKETBALL

Coach Don Farnum's 1955-56 basketball team, paced by senior lettermen Jim Reynolds, Leroy Goff, and Melrose Hensley, enjoyed another successful season and finished with a 14-4 record.

The Tigers' big win was a 52-50 conquest of Muskegon Heights, which marked the only time that the Heights met defeat during the year. The victory enabled Benton Harbor to tie with Muskegon Heights for the Southwestern Conference championship.

Our Tigers entered the Holland regional tournament as one of Michigan's top-ranking cage powers. After swamping Grand Rapids South and edging Niles, the Tigers were eliminated by Kalamazoo, 54-50, in the regional finals.

Individually, Reynolds was named to the all-state team and Goff was accorded honorable mention.

J. V. BASKETBALL

Our Junior varsity, under the tutelage of Mr. Elsner, established a 6-9 record despite the season-long absence of three sophomores who earned berths on the varsity squad. The Javees uncovered several outstanding performers who appear capable of helping future Benton Harbor teams in their bid for the coveted state basketball Championship.

FRESHMAN BASKETBALL

Hailing from rural areas, the members of the freshman basketball team received their first taste of high school basketball and managed to win only one game. However, as they gain experience, these boys are certain to improve and will undoubtedly help to carry on Benton Harbor's basketball tradition.

Row One: J. Bohn, T. Warren, J. Skelton, D. Slatton, M. Rahn, K. Schulz.

BASEBALL TEAM

Although getting off to a slow start, Mr. Johnson's 1955 baseball team put together an eight game winning streak to finish the campaign with an impressive 12-5 record.

John LaMantia and Sam Watson headed a strong pitching staff, while Pete Rhodes, Bruce Conybeare, Tom Garland, and Don Arend also were big guns in the Benton Harbor attack.

TRACK

The Benton Harbor track team, coached by Mr. Rogers, had another outstanding season—winning most of the dual meets and finishing high in regional and state competition.

The season was high-lighted by Don Arend's showing in the state track meet, as Don won the low hurdles and placed third in the highs. Chester Ross also stood out by placing in the high jump.

CROSS-COUNTRY

Although failing to win a meet, the 1955 cross-country team gained a great deal of experience which should prove invaluable in the years to come.

Made up almost entirely of underclassmen, Coach Farnum's team loses only three harriers via graduation: Jerry Light, Pat Aviles, and Gary Musser.

GOLF

The 1955 golf team, under new coach Mr. Frank Learn, enjoyed its most successful season in recent years by winning eight out of eleven meets.

Paced by Don Virkus, who tied for second, the golfers finished in a tie for third in the regional meet.

BOYS' TENNIS TEAM

Coached by Mr. Bridgham, the tennis team won four meets in 1955 while losing seven. Holland and St. Joseph proved to be the toughest foes for Benton Harbor. All home meets were played at Kiwanis Park while waiting for the new courts.

Steve Findley, Boyd Henderson, John Bridgham, Gary Musser, and Larry Sax formed the nucleus of the team.

GIRLS' TENNIS TEAM

The Girls Tennis Team completed their second season with a 2-2 record. The first match was played against St. Joseph, our girls winning 4-1, all four singles winning.

The second match was lost to Niles 3-2. The match was closely contested until Barbara Steenbergh was downed by Kay Weaver in three well-played sets 6-0, 2-6, 6-3.

Harbor gals made it a clean sweep over St. Joe with a 3-2 victory in the third match.

The final match was lost to Niles 4-1.

Yours is the key to

a "GOLDEN AGE"

Shortly after the country we live in was discovered, it came to be called, "The Land of Opportunity".

As this nation grows older and its population continues to increase, it might seem that opportunity for individuals would decrease. However, the opposite is true.

Today, more than ever before, as the result of education, research and other contributing factors, our country for you is an even greater "Land of Opportunity".

It has been said that today we are on the threshold of a "Golden Age". Tomorrow it will be your key you are molding today which will open the door to this promised "Golden Age". Mold the key well and it will unlock things tomorrow which for the eyes of today are only visions.

A Good Place to Work

TO THE

MEMBERS OF THE SENIOR GRADUATING CLASS

Congratulations

When you have driven past 376 West Main Street, Benton Harbor, Mich., have you ever wondered what products the Saranac Machine Company designs or builds within its shops?

The Saranac Machine Company was founded in the Twin Cities in 1899. Its personnel designs and builds Conventional and Special Machinery for the manufacture of shipping containers and packages, used for the shipment of food, industrial and hardware products, home appliances and building materials. The containers are made from such materials as veneer, lumber, plywood, corrugated and solid fibre-board and fabrics, automatically fastened together by means of adhesives, wire staples, wire and metal fastenings. The automation principle is used in the design and operation of these machines.

Saranac also designs and builds steel-strapping and wire-tying machinery for bulk packaging of such products as newspapers, magazines, shingles, lumber, steel and metal parts, and quality precision machine tools.

For young men and women graduates from Senior High Schools, and those who are or will be enrolled in the Community College, Saranac offers cooperative employment and training with your curriculum for those who are considering careers in Engineering, Methods, Time Study, Accounting and Supervisory positions.

May your future be most successful.

Respectfully yours,
